2.6.2: Attainment of POs and COs are evaluated.

Yes,

Mechanism for CO, PO & PSO:

Marks Entry Classification :

Under the mechanism decided by the college, the marks are classified into two categories i.e. Internal & External (University Examination). The course-wise marks entry is done by the respective departments and faculties in the prescribed excel sheet format.

Determination of Threshold Value :

All marks of the Internal and External examination of all students have been entered into the excel sheet.

Then, after consideration of marks of all students for the respective course get calculated on the threshold value basis. The threshold value is the base value upon which marks are to be considered for the further calculation of Course attainment.

Attainment Level Calculation of CO :

The college has decided Course attainment values for classification of Course attainment i.e. 1 for Low, 2 for Medium and 3 for High attainment of respective course. On the basis of internal and external marks of students the course attainment have calculated. The calculated, course outcome have there respective value i.e. 1 is considered as Low Course attainment, there respective value 2 is considered as medium Course attainment, and 3 is considered as High Course attainment.

Programme Exit Survey :

The college has conducted programme exit survey for attainment of PO and PSO. The programme exit survey were filled by the passed out students of respective programme. Under the Programme exit survey Likert Rating scale based questions were asked to the respondents. On the basis of responses of passed out

students of respective programme, the programme outcome and programme specific outcome get calculated.

Questionnaire for Programme Exit Survey :

The Questionnaire for Programme Exit Survey were filled by the passed out students. The predefined five questions were asked to the passed out students of respective Programme in the context of Likert Rating Scale (10 Scale).

Attainment Calculation of PO & PSO :

On the basis of responses of the passed out students of respective programme the attainment of PO and PSO have calculated. The Programme Outcome securing value 1 is considered as Low Programme attainment, securing value 2 is considered as medium Course attainment, and securing value 3 is considered as High Course attainment.

Final Attainment of CO, PO & PSO :

At the end of Calculation of Course outcome and Programme Outcome the decision has been taken on the basis of Attainment Level i.e.1 for Low, 2 for Medium and 3 for High attainment of respective course and Programme.
